

Committee Member JUDY MILLS

Born in Camperdown, Judy moved to Shepparton in 1989. Settling into the community she became active in the Scout and Guide organisations being a cub/scout leader for many years, serving on committees as well as hands on. She has also worked on many other committees especially with her children's schooling.

Judy has been employed in the aged care and disability sector for 14 years and became a member of South Shepparton Community Centre in 2016. She has served, and is a valued member, on the committee for 3 years.

Still working and with five grown children and a grandson Judy is never idle and is always one of the first to volunteer.
