

Committee Member GLENN TURNER

Born in Tatura, Glenn moved to Shepparton as a teenager and has worked at Australia Post for 45 years.

Glenn has volunteered and served on Committees for the Scouting movement over many years as his children grew. Since joining South Shepparton Community Centre as a member Glenn is always one of the first to volunteer for any jobs around the Centre and is invaluable at our fund raisers, especially the bar b cues (President's note: No-one does bar b cue onions like Glenn).

With 3 grown stepchildren, twin daughters and a grandson Glenn is kept very busy. Despite his other commitments Glenn is always ready to respond to requests for assistance for any project undertaken by the Committee or the Staff and has spent many weekends at the Centre working on the new kitchen in the Kiker Room and preparing the garage for the Op Shop operations.
